

The Mighty "Bulldozer 820"

The Starship of the Range!

When the job calls for no-nonsense, pure power- it calls for the strength of Farmgard's BULLDOZER Blades. Brute Strength with finger-tip control. Brains, Brawn and Precision engineering.

ROBUST! • POWERFUL! • 820kg!
EFFORTLESS DIGGING.
FULLY HYDRAULIC ANGLE TILT AND OFFSET.

2700 mm (9') wide with all the options of the Farmgard blades AND MORE! Only seeing this "grunt implement" will convince you to believe it's capabilities!

Optional
levelling wheel
(manual or hydraulic
adjustment)

FARMGARD
