WARLORD

The WARLORD is a high performance orchard mower following the tradition established by the TRIMAX MOWCRAFT and MULCHMASTA series. It sets new standards in versatility by

combining its excellent mowing abilities with superb mulching performance. Many features normally considered as extras are standard, and a range of options are offered in addition.

Compare these features and benefits:

- ★ Simple design and construction
 - ★ Heavy duty gearbox
 - ★ SPBX cog belt drive
 - ★ Ventilated belt guard
 - ★ Tapered sleeve rotor bearings
 - ★ Large diameter, rigid rotor
 - ★ **Quick-change flail mountings**
 - ★ Highest flail tip speeds
 - ★ GAMMA flails standard
 - ★ **Adjustable rear discharge flap**
 - ★ Hinged front flaps
 - ★ Adjustable rear roller
 - ★ Variable offset
 - ★ Dual category mounting pins
- OPTIONS**
- ★ Cast steel flails
 - ★ "Y" flails
 - ★ Side skids
 - ★ **TRIMAX SIDEWINDER**
- long life and easy servicing
 - ensures reliability
 - highest horsepower rating
 - prolongs drive belt life
