

# STIHL 031 AV

\$197 - 75

Compact. Lightweight.  
And packed with  
**Power**

**STIHL**  
**O31 AV**

A real power-packed lightweight in the "mini-size" range to give you a new power-to-size dimension in cutting.

By popular demand we have included the exclusive and patented STIHL AV anti-vibration system in our new STIHL 030 AV.

Designed for cutting medium timber, this saw will prove its professional performance in felling, limbing and pulpwood cutting. Farmers will want it for clearing timber and contractors will see its value in a wide range of cutting jobs.

STIHL Motorsägen 705 Waiblingen

# STIHL O31 AV

## SPECIFICATIONS:

Air-cooled, single cylinder, two cycle gasoline engine.

Piston displacement: 2.93 cu.in. (48 ccm)

Fuel tank capacity: 1.16 pt (0.54 l)

Fuel consumption: 1.69 pt. (0.8 l) gasoline/oil mixture (25:1) per operating hour

Weight: 14.5 lbs. (6.6 kg) with bar and chain.

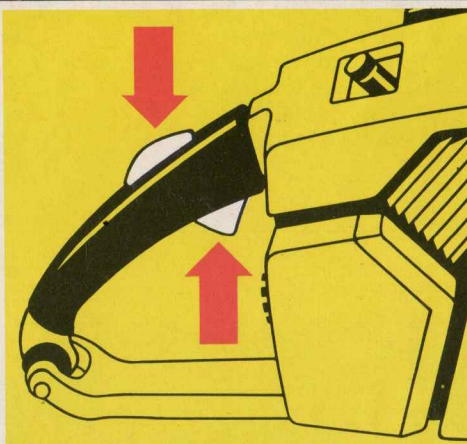

Bar lengths: 14, 16 and 20" (35, 40 and 50 cm) regular 13", 15" and 16" (33, 37 and 40 cm) with star-shaped roller nose
